Response to Amendment

1. This action is responsive to the application filed on May 2, 2001. Claims 2-5 were amended. Claims 7 and 8 are canceled. Claims 9-13 were added. Claims 1-13 are pending. Claims 1-13 are directed to a "Method and System for Tracking the Online Status of Active Users of an Internet-Based Instant Messaging System."

2. Pursuant to 37 C.F.R. 1.109 and MPEP 1302.14, the following is an Examiner's Statement of Reasons for Allowance:

The prior art of record fails to teach or suggest individually or in combination the claimed limitations of a "system, and method for establishing or specifying the online status of a user forming part of an instant messaging system comprising a plurality of clients having IM client applications of the same or different types and an IM server selectively connected to each of said clients via a computer network, the system comprising a user database for storing an activity status for each user of the IM system with respect to the IM server, said activity status including: (i) a time variable signifying the time of or time since the last prescribed involvement of the user with said IM server; and (ii) a probability variable signifying the likelihood of the user still being online; monitoring means to continuously monitor user activity with said IM server and to continuously update the activity status of users stored on said database involved with said activity; and checking means to check the activity status of each user stored on said database and adjust said probability variable in a prescribed manner having regard to said time variable as in claims 1-13.

Any comments considered necessary by applicant must be submitted no later than the payment of the issue fee and, to avoid processing delays, should preferably accompany the issue fee. Such submissions should be clearly labeled "Comments on Statement of Reasons for Allowance."

3. Any inquiry concerning this communication or earlier communications from the examiner should be directed to Emmanuel Coffy whose telephone number is (571) 272-3997. The examiner can normally be reached on 8:30 - 5:00 P.M.
